# **HISTORIC HUDSON VALLEY Tour** **at ROCKING HORSE RESORT**

**Monday, October 9 – Friday, October 13, 2017**

**1<sup>st</sup> Day:** We arrive in Highland, NY where we check into our hotel – Rocking Horse Resort. After having some time to explore the lovely grounds – or perhaps take a dip in the indoor swimming pool, we are treated to a delicious welcome dinner. An evening of entertainment follows.

**2<sup>nd</sup> Day:** Breakfast begins our day. Today is highlighted with a drive to Kingston where we board the m/v Rip Van Winkle and take a delightful cruise down the Hudson River. Our journey to the world of Sleepy Hollow, Rip Van Winkle and Revolutionary War heroes combines beautiful scenery with relaxing views of historical mansions, monuments and country estates. Upon returning to Rocking Horse Resort we enjoy dinner and another evening of entertainment.

**3<sup>rd</sup> Day:** Following a hearty breakfast we drive to Hyde Park for a visit to the Franklin Roosevelt Home. A visit to this National Historic Site, which served as FDR's Summer White House, not only gives us a remarkable perspective of our longest serving president, it offers us some of the most gorgeous views of the Hudson Valley region imaginable. In the afternoon we drive south for a visit to the famed U.S. Military Academy at West Point. Our tour includes seeing the Cadet Chapel - which contains one of the largest church organs

in the world, Trophy Point, the site of Fort Clinton and the Parade Grounds - where cadets drill and march and where George Washington trained and organized the Continental Army. Our return drive to the hotel takes us through some spectacularly scenic countryside that is ablaze with a dazzling display of colors in the Fall. Be prepared for another fine dinner and exciting evening of entertainment.

**4<sup>th</sup> Day:** Another tasty breakfast starts the day. We'll take a unique "Walk Across the Hudson." This is a pedestrian bridge that extends across the Hudson River that, as we look north and south from high above the Hudson, offers us some incredible views of the entire area in all its colorful splendor. We are then in for a delightful treat as we visit the world famous Culinary Institute of America. It is here that the future great chefs of the world are taught their craft. Following a tour of this architectural masterpiece we enjoy a fabulous dinner, which is prepared and served to us by these great chefs to be.

**5<sup>th</sup> Day:** We begin the day with breakfast. We then board our bus and begin our drive home leaving the beautiful countryside with warm memories of a delightful vacation.
