

# THIS WEEK AT THE CENTER

January 17-21, 2022

The Good news is...Covid infection rates **dropped** a little this week. The bad news is...Covid infections dropped a **little** this week. Because so many of our participants are vulnerable, we are remaining closed to in-person activities for another week. If the rates continue to drop, we will begin to reopen the following week.

The **food drive thru** will continue at least until the end of February beginning at 11 am. Participants are reporting that they are not receiving the automated call with their pickup time. Please check your voice mail and delete messages. Most voice mails services only hold a limited amount of data. Also, please make sure you clean out your trunks to accommodate the bags of food.

Please consider getting your **vaccine or your booster** from Chester County Health Department at the Senior Center on Tuesday, January 18th or 25<sup>th</sup>. Unvaccinated people are more likely to be hospitalized or die from Covid than someone who is vaccinated. We want to keep you around! Call and leave a message if you need help registering 610-935-1515. To register yourself, [click here](#).

**Tax appointments** are available. Please call 610-935-1515 x 24 and leave a message. Cari will call you back to schedule your drive thru appointments.

We are offering the following activities this week via Zoom. Click [HERE](#) for PASC Zoom classroom. If you have questions about signing onto Zoom, please call and we will walk you through it 610-935-1515.
