

THIS WEEK AT THE CENTER

January 31- February 4, 2022

This week was great! Between in-person and Zoom classes, we saw our friends! But don't let your guard down yet. Please weigh your options before returning to the Center. We want you to socialize, exercise, and see your friends. Please understand we are doing our best to keep you safe! Now it's your turn. Get your vaccine and booster. As we have stressed, unvaccinated individuals have a far greater chance of infection, hospitalization, death, and spreading the virus to others. We cannot guarantee your safety, no one can. We can only ask that you consider your health situation before returning. **DO NOT ENTER THE CENTER** if you have cold symptoms, sore throat, cough, sneezing, runny nose, aches, fever or stomach upset! Everyone entering the Center is required to wear a N95 or KN 95 mask, which have been proven to be best at preventing the spread, and are available in pharmacies and grocery stores.

Tax appointments are available. Please call 610-935-1515 x 24 and leave a message. You can make your appointment now. Don't wait. Appointments will fill quickly. Cari will call you back to schedule 2 drive thru appointments. Tax services begin on February 8. Therefore, there is no parking on the Firehouse side of the building until April 15. If you pull in on the firehouse side to park on the Clinic side, please watch for the tax preparers near the rear of the building.

This week via Zoom we are offering exercise classes and coffee hour. Click [HERE](#) for PASC Zoom classroom. If you have questions about signing onto Zoom, please call and we will walk you through it 610-935-1515.
