

# THIS WEEK AT THE CENTER

February 21-25, 2022

Julie Gaudan removed the first piece of trim to begin the **demolition of our kitchen**. This week the old cupboards and base cabinets were removed as well as the pantry to make room for additional work space, a prep sink, a new oven, and new dishwashing sink with a grease trap. I know, it doesn't sound exciting, but it will make working in the kitchen more productive and efficient. Look for more pictures as they replace and level the floor, install a new ceiling, and add the coffee bar. All of this is due to special people like you, The Chester County Food Bank, Acme Markets, The McLean Contributionship, Phoenixville Community Health Foundation. We can't thank you enough!

**Don't forget our Bag Bingo on Saturday February 26** at the Kimberton Fire Company. Doors open at 1 games begin at 2. \$25 for 15 games. Additional "Specials", raffles, and lite fare. Tickets are still available, call 610-935-1515 x 23 or [Click Here](#). Vaccines and Masks are required.
