

# THIS WEEK AT THE CENTER

March 14-18 2022

Many days are historically significant, July 4<sup>th</sup>, September 11, December 7, and for many March 13, 2020 will go down in history as the day the country shut down due to Covid 19. As we remember the day, the weeks and years that changed many of our lives. Let us all remember those lost during this time frame. At our Irish Wake on Thursday, we will present a plaque to remember our friends and relatives. May they rest in peace and may their light shine on in each one of us. The Phoenixville Area Senior Center was notified of the following. We apologize if we omitted anyone.
