

THIS WEEK AT THE CENTER

March 21-25 2022

Look at the crowd at our Third Thursday Irish Wake!!! We are so thrilled to see so many of our friends enjoying food, drink and entertainment. Thank you to all who attended as well as the professionals who provided information and education regarding end of life. It was a lot of fun. Mark your calendars for the Third Thursday of March 2023.

We are making plans to begin serving lunch beginning April 4, barring any unforeseen problems. As we restart, if you plan to have lunch at the Center, we need your reservation by the Monday the week before. For example, if you would like a meal the week of April 4, we need to know what day(s) by Monday, March 28. For lunch the week of April 11, you need reservations by Monday, April 4. We appreciate your cooperation. We are so excited to have you back, we want to know we have enough food!

Our exercise classes, and some others are offered in-person and on Zoom! Click [HERE](#) for PASC Zoom classroom. For vaccinated participants, masks are optional. Please assess your risk. Unvaccinated masks required.
