

Home Delivery Program for Eligible Seniors

Our new Silver Service program helps our neighbors who are 60+ years old and unable to travel to our office.

How it works

Qualified neighbors place their orders over the phone and we deliver the items to them at no charge.

Who qualifies

Phoenixville borough, Oaks, Mont Clare, Schuylkill Township and East/West Pikeland residents who are 60+ years old and income eligible.

How to enroll

Call our office 610-933-1105 and ask to enroll in the Silver Service program.

We're working hard to help people and agencies in our community have access to healthy, nutritious food.
