**Happy Older Americans Month!** We have several exciting events in store for you! The Chester County Senior Picnic is back on May 11 at Springton Manor! The deadline to sign up with Chester County Department of Aging Services is May 1. Join us on a trip to the Reading Phillies on May 9. \$20 includes your ticket, bus transportation and lunch.

The neighborhood looks different! The municipal parking lot to the west where the old firehouse used to be opens the last week in April. The entrance to the municipal lot and our west parking lot are very close with a "pole barrier" between them. Please be aware this is a ONE-WAY entrance ONLY. There is not enough room for two cars to meet. If you use that west parking lot, you must travel behind the building to exit on the east side. Large cars and trucks should use the east (The Clinic) side of the building to park. **Until you are used to the new arrangement, use caution.**

Please make sure you follow the arrows in the east lot. If you enter via the east, or second, driveway, remember travel is counterclockwise. The lot is not big enough for cars to meet. Please do not travel clockwise or dart the wrong way if you see a spot. Please take the time to be safe.

Reminder -there is a \$2/hour charge to park in the municipal lot. Phoenixville borough uses the Passport App and a kiosk instead of parking meters to collect parking fees. Our technology instructor, Janet, will hold classes on how to use the Passport application and what to do if you don't have a SMART phone. For a donation, anyone is welcome to park in our lot after business hours.

**Produce pick up change** - Due to the high demand and extra traffic on Thursday mornings, produce pick up is moving to Mondays starting May 1. Produce will be available to pick up inside at 10:30. Curbside pick up at 1:30. Please pre-register at 610-935-1515 by 8 am Monday morning to help us make sure we have enough bags.

Reminder—with Bridge Street weekend closures starting May 5, the Center closes at 1:00 on Fridays thru the summer.

for play on the lower level  
every Monday, Wednesday and Friday**

## Overview of Table Shuffleboard Rules

Understanding the [basic rules of shuffleboard](#) will give you a better foundation to learning the scoring rules because the two are interrelated. You can't truly understand one without learning the other. So take a look at a brief overview of the game rules before you can learn how to keep score:

Table shuffleboard involves eight [shuffleboard pucks](#), which are sometimes known as weights. These pucks typically come in two different colors per set – one color for each team. At each round, players will shoot all eight of these pucks to try and score.

- Players need to slide the weights across the table instead of bouncing them or throwing them in the air.
- You can play shuffleboard between two people or four players divided into two teams. The two teams will take alternate turns in shooting their pucks.
- Your weights should pass the foul line to be considered a valid shot.
- The main goal of the game is to get your pucks as close to the end of the table as possible.

You will decide on a winning score before starting the game. Most games are played to 15 or 21 points, but you can have shorter or longer games depending on how much time you have. Whichever team manages to reach this score first wins.

## How to Keep Score in Table Shuffleboard

The basic table shuffleboard scoring rules are pretty straightforward. As mentioned earlier, one team has to reach a certain predetermined point to win. Where the puck manages to land in the scoring area will determine how much score a team gets while calculating the score at the end of the frame. There are three sections within the scoring area:

- The 3-point area that's closest to the edge is worth 3 points
- The 2-point area in the short middle section is worth 2 points
- The 1-point area in the long middle sections is worth 1 point
- If the shuffleboard puck lands in between the lines of a section, the lower point total is scored. i.e. If the puck lands between section 1 & 2, then 1, it is worth 1 point

# For Your Information!

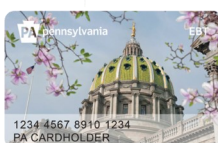

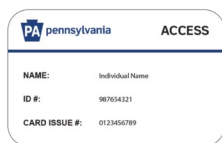

May Third Thurs  
**Medicare 101 Presentation**  
Thursday, May 18th, 5:00-6:30pm, In Person

If you will be joining the ranks of Medicare soon, are already in the Medicare system and have questions, or you just want to understand what this Federal program is all about, this session is for you. Members of the PA MEDI program, Pennsylvania's SHIP, a statewide program of insurance consultation, will present an overview of Medicare including the definitions of Medicare A, B, C; explanation of the drug benefit (Part D), types of health care insurance available in Chester County, benefits available for low income beneficiaries, and things to consider when selecting your medical coverage. A question and answer session will follow the presentation.

Topics include: review of Medicare benefits, original Medicare and Medicare Advantage Plan options, Medicare prescription drug coverage and the drug plan finger, Medicare Savings Programs, Medicare Preventative Services, and Supplemental Insurance Medigap Plans.

Registration is required. Please call the center at 610-935-1515 ext. 24, or email [cforeman@phoenixvilleseniorcenter.org](mailto:cforeman@phoenixvilleseniorcenter.org) to RSVP.

## Did You Know?

If you have Medicaid (Medical Assistance), you have not had to go through the renewal process for the last two years. Everyone with Medicaid will need to renew between April 2023 and April 2024. You should receive information about your renewal in the mail 90 days before it is due.

What can you do right now?

If you have Medicaid, please make sure that your contact information is up to date with the County Assistance Office AS SOON AS POSSIBLE. If you have any questions, please contact Cari at 610-935-1515 ext. 24.

Important Note: Medicaid and Medicare are different programs. Medicare is health insurance for those aged 65 and older. There is no requirement to renew Medicare.
