

# ***PUBLIC NOTICE***

## ***Fare Rate Change***

**Beginning on July 1, 2023**, seniors riding with Chesco Connect will be required to pay a **\$1.00 fare per ride for essential trips**. The \$1.00 fare had temporarily been covered by the Chester County Department of Aging during the COVID-19 pandemic to minimize handling of cash. **Please ensure you have the correct fare beginning July 1, 2023** as Chesco Connect drivers do not make change.

If you have any questions or are interested in setting up a pre-paid account with Chesco Connect, please contact us at **610-344-5545**
