

Community Health Education & Outreach Department
Phoenixville Hospital

HEALTHY SENIORS
SEPTEMBER HEALTH EDUCATION PROGRAM

What: The Aging Effects on Oral Health
When: Friday, September 15, 10:00 AM
Where: Phoenixville Area Senior Center
153 Church Street, Phoenixville

Tooth loss and oral disease is not an inevitable part of aging. Dr. Eric Paster, credentialed in comprehensive and cosmetic dentistry, will present the common oral health problems in older adults and the care needed to preserve smiles.
