Protect Yourself and Others from COVID-19

Getting vaccinated is an important way to protect yourself and others from COVID-19. But if it's been a while since you got the shot, your protection may need a boost.

Updated bivalent COVID-19 vaccines are available now and protect against the Omicron variant.

Buy a Brat Get a Shot at Phoenixville Area Senior Center's Outdoor Food Truck Festival with Luken's Band

Thursday, October 19 from 4-7
Phoenixville Area Senior Center's Parking Lot
Please bring your Medicare or other insurance card.

Staying up to date with your COVID vaccine can reduce the risk that you'll:

Get seriously ill or die from COVID

Spread the disease to others

Develop long COVID
